THE NIGHT HAWK AUTO

STYLE THAT TAKES COMMAND

When the trailer hauling your sports car catches almost as many looks as the car itself, you know you're hauling a winner. The forceful **NIGHT HAWK AUTO** with its aggressive raked front v-nose is no stranger to attention. But don't let the striking good looks fool you, under that smooth, bonded skin is the heart of a commercial-grade trailer. The **NIGHT HAWK AUTO** packs plenty of muscle to haul your muscle car or your commercial mower if that's your preferred power machine!
