THE EAGLE HD V-FRONT — A PROFILE IN DURABILITY

The new **EAGLE HD** by American Hauler is a new breed of trailer designed for the rigors of daily commercial use. The source of its toughness is the frame — full-height crossmembers, solid steel rear corners, reinforced wheel box structure, and dust-proof recessed sidewalls that deliver unmatched durability. One look and you know this trailer is built for serious business. We offer several custom packages to upfit your **EAGLE HD** for the job site, landscaping, and concession applications.
